## Basis for Appeal

---

### Basis for Appeal

By letter dated February 25, 2019 (see attached), the FBI claimed that a CRS search revealed that two potentially responsive documents on Richard Masayuki Kotoshirodo had previously been transferred to the National Archives at College Park, MD. What the Bureau's response did not indicate was any search of "cross reference" records, any electronic surveillance (ELSUR) records, or any search of the records of the Honolulu Field Division/Field Office for records on Kotoshirodo. Accordingly, the FBI's search for relevant records on Kotoshirodo was inadequate and I appeal on that basis.
